

Certificate of completion

This certificate confirms that

has attended the 1-hour *Guidelines* promotional virtual event

Managing iron deficiency anaemia in primary care

Date:

This promotional event has been commissioned and funded by Norgine Pharmaceuticals Limited and developed in partnership with Guidelines. Norgine Pharmaceuticals Limited suggested the topics and presenters, and carried out full medical approval on all materials to ensure compliance with regulations. The presenters were paid honoraria. The views and opinions of the presenters are not necessarily those of Norgine Pharmaceuticals Limited, or of Guidelines, its publisher, advisers, or advertisers. No part of this event may be reproduced in any form without the permission of the publisher.
